

## **GROWTH MINDSET - HOW WE LEARN**

At Aycliffe Drive Primary School we are a learning community. Our whole school culture is underpinned by the principles of growth mindset and we believe that there are no limits to what we can achieve.

A child with a growth mindset is open to constructive criticism, takes feedback and uses it, takes on new challenges, pushes themselves outside of their comfort zone and shows resilience and perseverance.

The core statements of the school's growth mindset were written by the children

### **Believe we can do it**

Be Positive

Challenge yourself

### **Don't give up**

Always have a go

Work hard

Keep on trying

Use things around us to help

### **Concentrate**

Listen

Manage distractions

Focus on what we are doing

### **Working together**

Listen to others

Share ideas

Support each other

Take turns

### **Keep improving**

Try our best

Review our own work

Respond to feedback

We aim to enable our children to develop as enthusiastic lifelong learners well equipped to take advantage of the opportunities that will shape their futures.
