EQUAL OPPORTUNITY POLICY

Policy Statement

At Aycliffe Drive School we recognise our responsibility to ensure positive attitudes to diversity and difference – not only so that every child is included and not disadvantaged, but also so that they learn from the earliest age to value diversity in others and grow up making a positive contribution to society. We understand the importance of providing a challenging and enjoyable programme of learning and development and we undertake to make reasonable adjustments to enable all to participate in our programme of learning, where all are valued and supported.

Aycliffe Drive School is totally committed to avoiding all forms of discrimination as set out in the UK Equality Act (2010). This applies to all pupils, parents and staff members and includes inappropriate discrimination on the grounds of: gender; age; religion or belief; physical ability or disability (including HIV status); learning ability, other special educational needs or academic or sporting ability; race (including colour, nationality, ethnicity, family, cultural or linguistic background); marital status and civil partnership; sex; sexual orientation; trade union membership; part-time and fixed-term working; gender reassignment; pregnancy and maternity. These factors are taken into account in the care of our community members so that care is sensitive to different needs.

We seek to ensure that the individual needs of all our pupils, including those who are disabled or have special education needs are met and pupils are included, valued and supported, and that reasonable adjustments are made for them. We undertake to work with the school community, with parents and with other relevant agencies to ensure that any form of discriminatory behaviour is treated seriously and action is taken to prevent any repetition. This policy statement and the effectiveness of our inclusive practices at Aycliffe Drive School are reviewed annually by the Governing Body.

The name of the Special Educational Needs and Disability Co-ordinator at Aycliffe Drive School is Mrs Katie Fitzsimmons who is assisted by Mrs Diane Major. The Special Educational Needs Coordinator's responsibility is to ensure that 'arrangements are in place for reviewing, monitoring and evaluating the effectiveness of inclusive practices that promote and value diversity and difference; how inappropriate attitudes and practices will be challenged; and how the provision will encourage children to value and respect others.'

This policy statement should be read in conjunction with school's policies on Behaviour and Discipline, Anti-bullying, the PSHE and SMSC development of pupils. Staff are also covered by Aycliffe Drive School's Equal Opportunities Procedures, found later in this document

Procedure for Pupils

Aycliffe Drive School seeks to implement this policy statement effectively through the following actions:

- Provision of our policy statement for equal opportunities to all pupils, staff and parents, including those of prospective pupils.
- Working with outside agencies such as educational psychologists, occupational therapists, family/pupil medical practitioners, gender counsellors, (SpLd base) and mental health agencies (CAMHS) to support the endeavour of the school in serving the needs of all pupils, parents and staff.
- Discussing, where appropriate, equal opportunities and the special needs of individuals at staff meetings.

- Delivering the message of equal opportunities within PSHE, the wider curriculum and through the extra-curricular programme.
- Dedicating whole school and class assemblies, and class time and ‘circle time’ to the importance of kindness, care and unconditional respect for members of the school and the wider community, and on promoting and valuing diversity and differences.
- Meeting the individual needs of pupils, as detailed by parents and by the pupil’s previous setting, through teacher, assistant and outside agencies working together with the pupil and the pupil’s parents.
- Monitoring the needs of all pupils as they progress through the school, through discussion at meetings, and written information circulated confidentially, relating to specific support for learning or emotional, social, mental, physical or other difficulties.
- Discussing, reviewing, monitoring and evaluating at staff meetings and leadership meetings, the effectiveness of inclusive practices which enable all pupils, parents and staff to access and enjoy school life. Ensuring that the Personal, Social, Health and Economic Educational Programme includes discussion of Equal Opportunities.
- Ensuring school documents demonstrate a commitment to Equal Opportunities and avoid inappropriate discrimination of all forms.
- Making appropriate provision or exemption, where feasible and desirable, for pupils with special dietary, dress or religious observance requirements or needs because of religious or cultural backgrounds

Additional School and EYFS procedure:

- Following the graduated approach as described in the SEND Code of Practice, starting with classroom support which is additional to, or different from, the support which was previously in place. The process begins when it is necessary for the INCo to give additional support, advice or assessment and/or when external agencies are called in to give professional expertise, advice and support.
- Challenging inappropriate attitudes and practices by using role play in drama and circle time, by speaking with those involved and by the graduated approach of class teachers, Assistant Heads and Headteacher of the School becoming involved as necessary with pupils, parents and staff. Pupils are made fully aware of the school’s sanctions system.
- Including the INCo and other relevant staff, in discussing pupil needs and progress in staff meetings and leadership meetings. On such occasions the strategy for each individual child is focused around respect for the child’s needs, the need for the pupil to have access to all opportunities within the school and the child’s right to feel confident, happy and valued.
- Delivering the PSHE programme through whole school assemblies, in and class, in circle time and within the curriculum, eg, different faiths are studied in RE. The Science programme celebrates physical differences in the human race. Drama provides a weekly opportunity to promote and value diversity and differences. The languages within the extra-curricular programme, as well as those within the curriculum, promote global citizenship.
