

## 2017-18 Finance Information for Parents

The highlights of the year were that we able to retain our highly qualified staff that enabled the pupils to achieve and progress well throughout the year. Improvements to the school were also carried out and these included a, new security entry system to the school building. Some new ICT equipment has also been purchased including iPads to enhance the pupil's learning.

We have continued to improve and extend the Forest School provision so that all pupils are able to enjoy this learning environment.

Information on general areas of the budget is shown below with detailed information attached
