

Dear Parents/Carers

## Nursery Open Mornings/Afternoons – children born between 01/09/2018 and 31/08/2019

We are holding four open mornings/afternoons so parents can visit the nursery to see how it is run, the activities that take place and to ask any questions they may have. If you wish to visit us please fill in the slip below giving your preferred date/time by **Wednesday 19 January** (visit will last around 30 minutes). Alternatively, you can call the school office on 01442 404008 and speak to the office staff.

We ask that only one parent per family visits (Children will have the opportunity to attend taster sessions, if allocated, during the summer term) and face coverings must be worn at all times while on the school premises. For those who are able, we ask that lateral flow tests are done before the visit to keep everyone safe.

Application forms for Nursery starting in September 2022 will be available online/at the school office/Nursery and Pre-School from **Monday 17 January**. Parents now apply directly to the Nursery. Please ensure you complete the whole form and provide us with as much information as possible. **All applications forms must be returned by Friday 25 February 2022 at the very latest.**

All children are entitled to the standard 15 free hours. However, we offer 30 free hours at our nursery for eligible families. Please indicate on the application form if you are interested in sending your child to our nursery for more than the standard 15 hours. Information regarding 30 Hours Childcare is available on the Hertfordshire website.

Thank you.

Yours sincerely
