

## Welcome to Aycliffe Drive Nursery

### 15 Hours (PM) Information Leaflet

#### **Session Times**

Your child is entitled to 15 hours a week Nursery Provision. Our morning sessions begin at 12 noon and end at 3pm. We begin teaching with a variety of activities to support your child's fine motor development and cognitive skills from 12noon. These activities are planned to give your child the opportunity to practice vital skills as well as giving them time to settle in and socialise with the children in their group. Children who arrive late miss out on this time and therefore are missing essential learning, so please arrive on time. Similarly, our session ends promptly at 3pm, please collect your child promptly to allow staff to attend after-school training, staff meetings or run after-school clubs on time.

#### **Foundation Stage Curriculum**

At Nursery we want to give your child the best start to their education in a safe, nurturing environment. We work hard to get to know your child really well and tailor our educational provision based on their individual needs and interests.

Much of your child's learning will take place through play-based activities, supported by knowledgeable staff who understand the stages of Child Development and the Foundation Stage Curriculum. Your child will be assigned a Key Person who will get to know them really well and scaffold their learning appropriately. All staff will be involved in making observations and contributing to a Learning Journal, documenting your child's progress at our Nursery.

#### **Tapestry –your child's Online Learning Journal**

Your child's Learning Journey will be documented and made available for you to view online from September. Please see the separate letter which explains more about this and how it will work. Please ensure that you login regularly as we use Tapestry to communicate with Parents about things like Forest School sessions and other important information. If you have any trouble creating or logging in to your account please email [admin@aycliffedrive.herts.sch.uk](mailto:admin@aycliffedrive.herts.sch.uk) and we will assist you.

#### **Snack**

Please provide a **bottle of water** for your child with their name on. This will be available for them to drink at any time throughout the session. If you have requested that your child has milk at snack time, this will be provided along with a piece of fruit. Please ensure that the Nursery staff are made aware of any dietary requirements or food allergies your child may have **before** they start attending the setting.

Snack is a sociable time at Nursery, we all sit together to eat. This is a valuable opportunity for the adults to get to know your child better and help to build on their social, communication and language skills.

#### **House Points**

Your child will be given a House to belong to as they begin Nursery and they will remain in the same House as they move up the school. The houses are named after famous scientists and have colours assigned to them- Mary Anning (Yellow), Ada Lovelace (Red), Isaac Newton (Blue) and Charles

Darwin (Green). Certificates will be awarded for every ten house points achieved. The children love to see their House Points add up on our display in the classroom! We aim to celebrate all of your child's achievements, both academically and socially. This system offers instant, visible rewards for your child and an incentive for them to do their best.

## **Uniform**

Your child can wear a white polo shirt (no long sleeves or button-up shirts please), red jumper or cardigan and a pair of black/grey jogging bottoms or leggings as their uniform. To make it as easy as possible for them to use the toilet and be independent they need clothes that they can easily take off and put back on themselves. Please no tights! We recommend that you do not spend a lot on uniform as we do a lot of messy play and try as we might to keep their clothes clean, children always find a way to get messy! Your child will also need a pair of indoor shoes to keep at school in their tray in case they need them or they come to Nursery in their wellies. Trainers with velcro are best as they are easier for your child to put on and take off and also more durable. Please no shoelaces! **Please ensure that all of your child's clothes and property are clearly named, we cannot be responsible for lost items but it will make it easier to return anything that may get mislaid.**

Please provide a book bag  for your child, which is available to purchase from the school office or online, the children share a peg and we do not have space in the cloakroom for backpacks, these will unfortunately have to be sent home at the door.

We will need a full set of spare clothes (clearly labelled, in a drawstring bag  ) **not a backpack** to keep at Nursery if for any reason your child needs to be changed during the session.

On Thursdays will also have a weekly PE session so we ask that your child comes dressed in their gym kit (t shirt, jogging bottoms and trainers of any colour) on this day, instead of their regular uniform.

## **Forest School**

We are very lucky at Aycliffe Drive to have our own woodland area complete with a Saxon style Round House which our pupils helped to construct. We teach the children how to play safely in the woods whilst also giving them the freedom to explore and learn on their own terms. At certain times of the year we have a campfire and the children are able to roast marshmallows! Your child will have Forest School once every two weeks. A parents' meeting will hopefully be arranged for September to give more information about the different activities we do and the clothes the children will need to wear.

## **Further Information**

Our School and Nursery were visited by Ofsted in July 2019. Our Foundation Stage has been judged as Outstanding, with the School being rated as Good overall. You can view the whole report on the Ofsted Website.

Please see our School Website for further information about our Nursery and the wider school community. Please make sure that the Office have your correct contact information at all times,

including your email address, as we will email a Foundation Stage Newsletter to you on a weekly basis, as well as Star of the Week.

If you have any queries about anything in this information sheet please contact [admin@aycliffedrive.herts.sch.uk](mailto:admin@aycliffedrive.herts.sch.uk) and someone will get back to you.

We look forward to seeing you in September!
