

Dear Parents/Carers,

KS1 History Workshop – Tuesday 17 October

Our History work this term is about Castles and the Monarchy. We are learning about who lived in a castle and why. We will also be learning about invasion and one of the most famous invasions, The Battle of Hastings.

On Tuesday 17th October, we have arranged for the children to take part in a Battle of Hastings workshop to give the children some hands on learning about invasions. They will be taken through the battle itself, as well as learn how to fight, learn about the weapons from the time, and even get a chance to handle them too! The highlight of the day will be where the children take part in battle formations and tactics - learning how the Normans and Anglo-Saxons fought in battle!

To help cover the cost of the workshop, we are asking for a voluntary contribution of £5.80 per child please. If slips and payment can be returned to the school office by Monday 16th October at the very latest.

Thank you for your support in this event.
